

Extreme Long Range RifleSports

One-Mile Shooting Experience

The **APO**
Experience

3-Day Shooting Adventure

Ashbury Precision Ordnance Mfg (APO), America's premier, two decade old manufacturer of advanced, chassis-based precision rifles, would like to welcome you to *The APO Experience*, an extraordinary travel adventure operation based out of the picturesque Blue Ridge Mountains in rural Ruckersville, Virginia.

Ashbury offers our clients unique RifleSports Lifestyle Experiences designed to educate, inspire and entertain intrepid novice sportsmen & women in a broad offering of exciting shooting adventures. Inclusive APO RifleSports experiences include packaged and custom extreme long range shooting, big game hunting, tactical firearms and military sniper adventures.

There is no experience required to attend and Ashbury warmly welcomes clients new to shooting sports! Come enjoy the great outdoors, our congenial, professional and knowledgeable staff, premium quality APO RifleSports equipment, sumptuous meals with pair wines, select personal indulgences and incomparable firearms shooting opportunities!

Dream. Explore. Discover. Experience!

As a Professional Hunter of dangerous game, my go-to rifle is the .375 H&H magnum. When I started shooting long range with APO's super magnum precision rifles, I achieved a personal best 'steel trophy' with their .375CT Supersport XLR rifle at 2,082 yards with 2 of 4 shots!

Steve Rann, PH
Spears Mountain & 777 Ranch

APO Experience clients are offered elite-level, preferred pricing on any custom-crafted Ashbury Precision Rifle in calibers from .223 to .408 Cheytac®.

Extreme Long Range RifleSports

One-Mile Shooting Experience

Ashbury Precision Ordnance is dedicated to providing our clients with exclusive opportunities to live-out incomparable Riflesports Lifestyle Experiences featuring the company's complete line of exceptional hand-crafted precision rifles! Have you secretly wanted to live a fantasy Walter Mitty adventure? Fire a SABER®-FORST® sniper rifle like Bob Lee Swagger (*actor Ryan Phillippe*) in the new SHOOTER* television series? Or were you mesmerized by watching Matthew Quigley (*actor Tom Selleck*) as an American cowboy sharpshooter with a specially modified 1874 Sharps Buffalo rifle he shoots accurately to extraordinary distances? ***Admit it...You Know Deep Down You "Really" Want To Shoot Like This! What Are You Waiting For?***

Are you a passionate firearms enthusiast, experienced marksman or hunter seeking a new shooting challenge? Or are you simply a gun curious Millennial with a "Bucket List" desire to shoot targets out to a mile or more with high power precision rifles? You too can feel the rush of adrenaline, and feeling of pride when your APO instructor proudly shouts.... **IMPACT! Well Done Shooter!** As you smile, receiving a hearty fist bump, hearing your steel target ringing in the distance! ***That's Satisfaction!***

Now that we have your attention, you've come to the right company to live out ***the*** experiential firearms adventure of a lifetime! Welcome to the three day Extreme Long Range RifleSports One-Mile Shooting Experience. ***Look No Further as There is None Better Than APO!***

Meals

Custom Menus

What meals would you like our chef to prepare?

Fine Dining White Linens & Servers

Choose inside dining or maybe you prefer dining outside in the wild, under the stars with open fire cooking, inhaling the primal scents of roasting meats. The flavors are as intense as the experience of dining outdoors in nature.

Dehydrated "Backpacker" Meals

These meals are deceptively delicious served piping hot in a Base Camp tent setting. There is a wide menu and after an exciting day on the range make excellent satisfying table fare with a chef's touch.

Meals Ready To Eat (MRE)

Not everyone's taste, but for the adventuresome at heart desiring to eat like an U.S. Military Solider or Marine it's the authentic way to go and stocked full of flavorful energy. Hooah!

Proud Members of

Signature RifleSports

Extreme Long Range Shooting Experience

APO has crafted all-inclusive singularly unique extreme long range Riflesports adventures that will have you firing some of the finest APO long range precision rifles in the world engaging steel targets out to a mile or more! You'll be equipped with only the best optics, high quality match grade ammunition, reactive and moving targetry, laser range finders, ballistic software & hand-held computers, down range camera systems and much, much more!

Your personal shooting adventure is lead by friendly, patient and experienced firearms training professionals dedicated to creating exciting, and safe, once-in-a-lifetime experiences worthy of many satisfying future memories. You'll receive personal attention, coaching and marksmanship instruction by knowledgeable NRA Certified Rifle Instructors, long range shooting specialists, competition rifle shooters, and elite military combat veteran Snipers and Sniper Instructors.

Big Game Hunting Experience

Big game hunting is one of the most exciting and rewarding RifleSports experiences accessible to the modern sportsman or woman. If you have ever pondered where you could go to learn how, where and what to hunt, and what rifle to hunt your quarry with, then this APO RifleSports adventure is for you! Lead by a team composed of an internationally experienced former Professional Hunter and a staff of knowledgeable big game hunters; APO is prepared to create personal and memorable hunting experiences for our clients. Start by attending Big Game Rifle Hunter School, or come to shoot a realistic Game Steel Safari with a personal instructor. Allow us to arrange your annual hunts, or the hunt of a lifetime in the continental USA, Hawaii, Europe or Africa. We understand the mission and your expectations! Gun-up lets hunt!

Lifestyle Experiences

Tactical Firearms Experience

APO's Tactical Firearms Experience may well just be the holy grail of all shooting sports adventures bar none! With an emphasis on safety, enjoyment and action shooting, you will experience firing pistols, carbines, shotguns, sub-machine guns, carbines, sniper rifles, anti-material rifles and crew served automatic weapons under the tutelage of experienced APO firearms specialists and former military weapons instructors. APO offers exciting packaged and customized tactical shooting adventure experiences inclusive of all ammo, range safety gear and specialty equipment like suppressors, optics, sights, night vision etc. From the muzzle to a mile, we'll make you smile...a lot! Make ready on the firing line!

Military Sniper Experience

APO's Military Sniper Experience provides exciting authentic, and realistic hands-on adventure training lead by select combat seasoned U.S. Army Snipers and Marine Corps Scout Sniper Instructors. Savor an exciting three day sniper weapons marksmanship experience, firing precision weapons up to .50 cal out beyond 1000 yards including shooting moving targets, suppressors, night vision and thermal sights!

Need more? Then kit-up with your new APO custom precision rifle, don your ghillie suit and prepare for action! Immerse yourself in an intense five day full spectrum rural sniper experience shooting out to one mile and culminating in a full mission profile live fire exercise. Learn first hand about real world military sniper deployments working their professional craft in conflicts around the world...
